## Time—Talent—and Treasure

### Stewardship Message

*One day Jesus was praying in a certain place.* Luke 11:1

Before every major action in His life the Scriptures tell us Jesus prayed. During this Year of Faith, we should strive to follow Jesus' example by always praying first. In that way, we can ensure we are doing God's work and not our own.

If you have included the Cathedral in your estate plans, but have not notified the parish of this, please call so that you can become a member of the **Bishop Flaget Society**.

## Spotlight on Stewardship

*From Parishioner Kay Madrick*

My desire to have a deeper relationship with God and to find a parish family led me to the Cathedral of the Assumption a couple of years ago. I knew that I wanted to be an active parishioner and volunteer to help out in any way that I could. After several months of attending services and participating in Why Catholic small groups I started to explore ways that I could serve God and my community. I pray often to God about his plans for me, and how I can use my abilities to serve others. Reading in church is something that I grew up doing in Catholic schools as a child so the ministry of lecturing was a natural fit for me. Of course the experience has been much more rewarding for me than I ever imagined. As I began to participate in the Mass I started to feel more comfortable and more familiar with my fellow parishioners. I felt that I should get out of my comfort zone and learn about other stewardship opportunities. Eager to belong, I started to read more about all of the different committees and decided that Social Concerns and Global Outreach committees might be a good fit for my talents.

I believe that we are each given gifts and talents, a certain something that no one else has. This sense of responsibility to use these gifts entrusted to me by God is more powerful than my desire to belong. I conclude with words from St. Teresa of Avila.

*"Christ has no body now  
on earth, but yours;  
no hands but yours;  
no feet but yours.  
Yours are the eyes through which  
He is to go about doing good;  
yours are the hands  
with which He is  
to bless people now."*

We are most grateful to Mayor Fischer and Metro Council for recognizing the value of the Cathedral's outreach in our city.

## Formation

### Becoming Catholic

If you have thought of becoming Catholic or have questions about the Catholic Church, you are invited to a session offered on Thursday, August 1, in the Patterson Education Center, from 6-7:30 pm. If you have questions before then, please contact Pastoral Associate, George Kaissieh, 657-5217.

### Registration for Children's Religious Education after 9:30 Mass on Sunday, August 4

Classes for the 2013-2014 Year begin on Sunday, August 18. On that day, Fr. Jeff Nicolas will meet with parents of children who are enrolling. YEAR OF FAITH: OCT. 11, 2012-NOV. 24, 2013

### What is the role of the Holy Spirit in prayer?

Since the Holy Spirit is the interior Master of Christian prayer and "we do not know how to pray as we ought" (*Romans 8:26*), the Church exhorts us to invoke him and implore him on every occasion: "Come, Holy Spirit!"

*Compendium of the Catechism of the Catholic Church*

### From Marriage Moments© 2013 Susan Vogt

*Climate change can be a boon to your marriage. If you feel frustrated with each other, try changing the environment you have control over. Cool off if it's too hot out. Warm up if you're freezing. Light some candles if you're depressed. Put on some rose-colored glasses for fun.*

### From Parenting Pointers© 2013 Susan Vogt

*You may not realize it, but the 4th Sunday of July is Parent's Day. Don't let it be just a Hallmark holiday. Take a moment today to remember why you so wanted a child. Cherish each of your children in thought and words today.*

The 2013 Fall Session of *Why Catholic?* will study the Creed in depth. The potluck is for all past participants and those interested in the upcoming session. Please call the parish office if you would like to attend.

## In the Community

### Now is the Time for Immigration Reform: Myth and Fact

Archbishop Jose H. Gomez, Chair of the United States Conference of Catholic Bishops Committee on Migration and Refugees stated: "The status quo of our current system causes much suffering among immigrants and their families and must end."

There are many myths about immigrants and immigration. One involves the perception that jobs are being taken away from citizens. Here are some facts about the job situation:

With immigration reform, newly authorized immigrants would produce enough new consumer spending to support 750,000 to 900,000 jobs.

Every low-skilled, non-agricultural, temporary worker who comes to the United States to fill a job that may otherwise be left open creates an average of 4.64 U.S. jobs. Low skilled jobs support the high skilled jobs.

For more information about immigrants and the economy, see resources at [www.archlou.org/immigration-reform](http://www.archlou.org/immigration-reform).

Join the U.S. Catholic bishops in advancing immigration reform by contacting Kentucky's members of Congress, especially in the House: Representatives Whitfield, Guthrie, Yarmuth, Massie, Rogers, and Barr. All six of these gentlemen need to hear from you and those you can draw into this conversation. You can find an electronic postcard to send to at the Justice for Immigrants' homepage at [www.justiceforimmigrants.org](http://www.justiceforimmigrants.org)

The Catholic Conference of Kentucky (CCK) will be in Fancy Farm on August 3 emphasizing immigration reform. If you go there for a great meal, stop by the CCK booth to learn more.
